# LEAKIN PARK BIOBLITZ

## Explore Leakin Park's wildlife with free, family-friendly activities for all ages!

### WHAT

A BioBlitz is an event where participants work together with experts to spot, identify and record as many living organisms as they can find. Join naturalists, families and volunteers as we learn by looking for plants and animals in Leakin Park! We will provide binoculars, magnifying glasses, nets and more for use while you explore the trails. Results from this event will count toward Baltimore's totals for the international City Nature Challenge.
